

This is just to show what the patterns look like if standard printer size was more than 8.5" x 11".

You can check that nothing critical was cropped off --- it should just be the 3/9" seam allowance.

SEAT (CUT 2)

3/8" seam allowance

place on fold

CHAIR BACK (CUT 2)

slot for harness

velcro loop tape

add seam allowance of 3/8" if pattern doesn't print out fully on your sheet
(width from stitch/sewing line to centre fold should be 8.5" wide - the width of standard letter sheet)

velcro hook tape

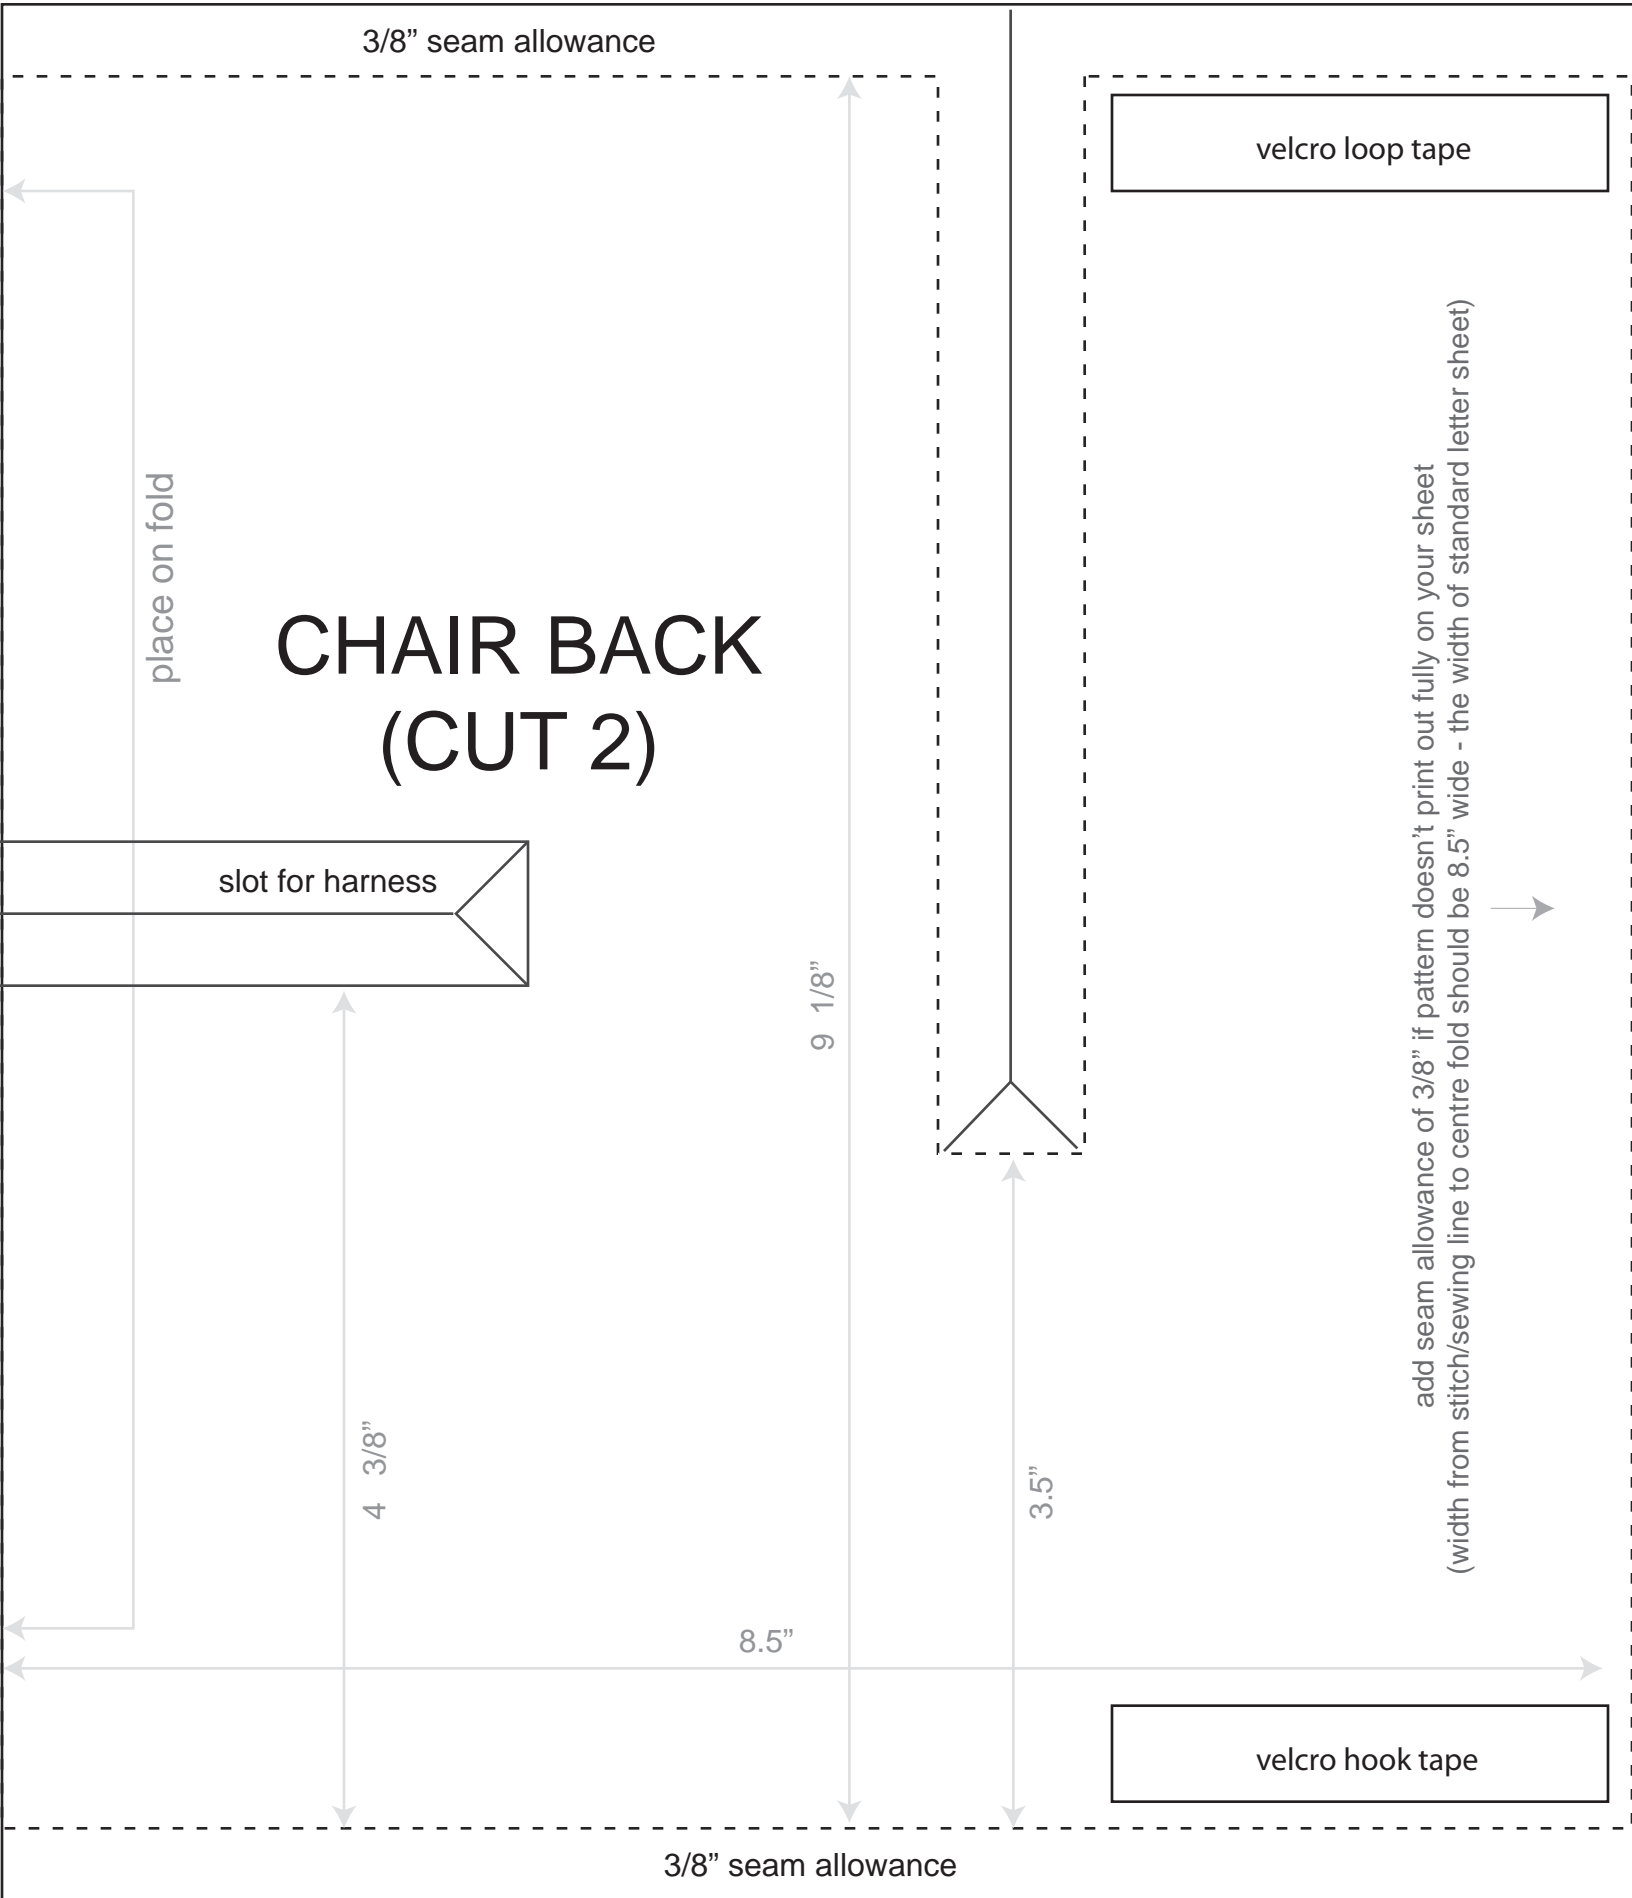

9 1/8"

4 3/8"

8.5"

3.5"

3/8" seam allowance

place on fold
